

We trade in Gumnuts

As a complementary currency system, our focus is on trading.

But being part of LETS is also an opportunity to make friends and socialise. It's a nice side effect of the trading, that active members make new friends and have an active social life.

Monthly Trading Days

We aim to have an official trading day once a month, this is always a social occasion too.

Regular Social events

Feasts, parties, picnics, workshops to learn new skills, there's always something new planned.

Swan Hills LETS System

We trade in Gumnuts

For a better community

LETS builds community by keeping the local 'wealth' local.

What is LETS?

LETS stands for Local Exchange Trading System. It's a non-profit community trading network which is run for and by local people who want to share their skills with each other. You benefit by meeting local people, making new friends and getting jobs done. It's a way to learn new skills too. We trade in an alternative currency to money which makes your federal dollar stretch further, as well as helping others in the process.

The true wealth of a community lies in the talents, skills and services which we have to offer each other.

How Swan Hills LETS Works

SwanHills LETS System is your local LETS group and covers Kalamunda, Mundaring, Forreestfield, Swan View, High Wycombe, Lesmurdie and surrounding suburbs. There are many LETS groups throughout Australia and the world.

Swan Hills LETS members have access to a trading directory which lists the goods and services offered. Trading is carried out between members using our trading currency called "Gumnuts".

You can earn and spend gumnuts with any member in the system. Everyone has something to offer.

What you can trade for 'Gumnuts'

You can spend 'Gumnuts' on many goods and services provided by our members. Examples include computer skills, transport, alternative healing, busy bees, massage, childcare, cleaning, fresh produce, tools and other equipment for hire, gardening, trade services or whatever members are offering at the time.

A good way to get to know members and create opportunities to trade is by attending social events, meetings, trading days and reading our monthly newsletter.

We want you to join because the more members, the wealthier we all are!

How to join Swan Hills LETS

Do you live in the Swan Hills area?

Our members cover the area from Bickley to Midland, Forreestfield to Chidlow. If you live well outside the area, then you will want to find or start your own LETS system. Please ask us about that, we will be happy to help.

Fill out the application form

The application form is available online at our website: <http://swanhillslets.org>

The Member Agreement

The member agreement forms part of the application form. Briefly, in joining LETS you are **willing to trade**, and agree to have **at least one current offer** in the system at all times. You should also understand that on leaving the system, you will be expected to bring your account to zero.

Happy trading and we look forward to meeting you!
